NOTES TO FINANCIAL STATEMENTS

December 31, 2019

(unaudited - see Notice to Reader)

1. PURPOSE OF ORGANIZATION

McDonalds Corners/Elphin Recreation & Arts (MERA)'s mandate is to encourage, develop and organize cultural and recreational activities for people of all ages to enhance the well being, health and connectivity of the community. MERA is a non-profit organization and a registered charity incorporated under a Letter of Patent in the province of Ontario.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition

The organization follows the deferral method of accounting for revenues and expenditures. Any funding revenues received in excess of expenditures are recorded as deferred revenue and are only recognized as revenue when the corresponding expenditures are subsequently made.

Contributed Goods and Services

Volunteers contribute a substantial number of hours each year to assist the organization in carrying out its activities. Because of the difficulty in documenting the fair value, contributions of such services are not recognized in the financial statements. Contributed goods are valued at their fair market value and recorded in the financial statements.

Equipment and Renovations

Equipment purchases and renovations are not capitalized, but are reported as expenditures in the year in which they are incurred.

3. FINANCIAL INSTRUMENTS

The organization's financial instruments consist of cash, term deposits, accounts payable and accrued liabilities. It is management's opinion that the organization is not exposed to significant interest, currency or credit risks arising from these financial instruments and that the fair market value of these instruments reasonably approximates their carrying value.
